NOTICES

All communications should be addressed to the Massachusetts Conference of the United Church of Christ, P.O. Box 2246, Salem End and Badger Roads, Framingham, Mass. 01701.

All missionary money being sent through the Conference should be made payable to the Massachusetts Conference of the United Church of Christ and sent to: Attention of The Rev. Emil C. Beck, Associate Conference Minister and Treasurer, P.O. Box 2246, Salem End and Badger Roads, Framingham, Mass. 01701.

Unless requested otherwise, these contributions, beyond the sum the Conference retains for its own work (from undesignated money), are sent on to the Treasurer of the United Church of Christ in New York, where they are divided among the Boards and Instrumentalities according to the agreed upon percentages.

It is recommended and earnestly requested that church treasurers remit monthly such funds as are in hand, and that the final remittance for each calendar year be sent before December 31, if credit is desired in the next Year Book.

Copies of the Act of Incorporation may be had on application to P.O. Box 2246, Salem End and Badger Roads, Framingham, Mass. 01701.

The churches are requested to contribute through the treasurers of their Associations for the expenses of the Conference a sum as Fellowship dues equivalent to \$2.25 for each member, based upon the *total* membership of January 1, 1977 and the treasurers of the Associations are requested to forward the amounts as soon as possible to the Associate Conference Minister and Treasurer, P.O. Box 2246, Salem End and Badger Roads, Framingham, Mass. 01701.

The "Minutes" are sent to the churches by direction of the Conference, with distribution of one copy to every minister, one to every church clerk, one to every Conference official or committee member, one to each local Association official named within, and one to every life member of the Massachusetts Home Missionary Society. As long as the edition lasts, other copies may be secured for **Two Dollars** upon application to the Registrar, P.O. Box 2246, Salem End and Badger Roads, Framingham, Mass. 01701. It is suggested that every church preserve a copy of the "Minutes" with its other records.

The National Year Book is available to church clerks and retired ministers upon request to the United Church of Christ, 297 Park Avenue South, New York, N. Y. 10010 for a fee of \$7.00 a copy.

HISTORICAL SKETCH

The Massachusetts Missionary Society was organized on May 29, 1799, in Boston. There were thirty-eight charter members, mainly followers of the theology of Samuel Hopkins. They were "impelled by a deep commiseration for the unhappy state of those who were perishing for lack of those precious means of salvation which we enjoy." Their intention was to spread "the knowledge of the glorious Gospel of Christ among the poor Heathens and in those remote parts of our country in which the inhabitants had not enjoyed the benefits of a Christian ministry and Christian ordinances," i.e., outside Massachusetts. Nathaniel Emmons, fifty-four years pastor at Franklin, was the first president. The Society was incorporated in 1808.

ORIGIN OF MASSACHUSETTS HOME MISSIONARY SOCIETY

In 1827 the Massachusetts Missionary Society and the Domestic Missionary Society of Massachusetts Proper (which had come into being in 1818 to "see every parish in the State well supplied with a faithful Minister of Christ"), were united under the name of the Massachusetts Missionary Society. This meant that while the Domestic Missionary Society of Massachusetts Proper lost its name, the Massachusetts Missionary Society was henceforth to work almost exclusively in Massachusetts.

The Massachusetts Missionary Society became the Massachusetts "Home" Missionary Society in 1844. This was simply to emphasize that the work of the Society had become exclusively for America and for the Massachusetts part of America.

ORIGIN OF MASSACHUSETTS CONFERENCE

The General Association of Massachusetts came into being in 1802. This ultimately became the Massachusetts Congregational Conference. The Conference then merged with the Massachusetts Home Missionary Society in 1927, to become the Massachusetts Congregational Conference and Missionary Society. This was the result of twenty-seven years' agitation, accelerated by a recommendation of the National Council in 1907. The charter of the Massachusetts Home Missionary Society was used as the basis for the union of the two organizations. In 1953 the name was changed to Massachusetts Congregational Christian Conference. In 1966 the name was changed again to the Massachusetts Conference of the United Church of Christ. The Conference assumes responsibility for all Congregational missionary work done in Massachusetts. It supports a staff of eleven persons who give ministerial and executive leadership to a broad program of work designed to help the churches, to develop the fellowship of the ministers and churches, and to cultivate practical support for denominational and inter-denominational projects and programs.

BYLAWS OF THE
MASSACHUSETTS CONFERENCE OF THE
UNITED CHURCH OF CHRIST

ARTICLE I

Purpose and Terminology

1. The purpose of the Massachusetts Conference of the United Church of Christ as stated in its charter (1799) is "diffusing the knowledge of the Gospel of Jesus Christ . . . and in concert with other ecclesiastical bodies for the general increase of Christian union and spiritual efficiency and the advancement of Christ's Kingdom on earth."

2. Whenever in these Bylaws the word Conference is used it shall be held to refer to the Corporation as a Conference of the United Church of Christ and as a Conference of Massachusetts Congregational Christian Churches.

3. All Churches which are members of Associations in voluntary fellowship with and recognized by the Conference, whether or not such Churches are a part of the United Church of Christ, are entitled to elect voting members of the Conference in accordance with these Bylaws.

4. Whenever in these Bylaws the word "Area" is used, it shall be held to refer to those Associations or combinations of the Associations decided upon by the agreement of the respective Associations and recognized by the Conference.

ARTICLE II

Denominational Basis

Following Congregational principles, this Conference shall under no circumstances exercise authority over Churches or individuals or interfere with the government or discipline of the Churches. It shall advise and counsel the Churches when requested, but it is recognized that each Church has the power of self-determination in all matters.

ARTICLE III

Doctrinal Basis

This Conference declares its steadfast allegiance to the faith which our fathers confessed, which, from age to age, has found its expression in the historic creeds of the Church Universal and of this Communion.

ARTICLE IV

Conference Meetings

1. *Stated Meetings.* In each year the Conference shall convene its Annual Meeting within the Commonwealth of Massachusetts, on the third Friday of May (or at such other time within the period from April fifteenth through June fifteenth as the Board of Directors may deem expedient) for the election of Officers, Executive Officers, Committees, Councils, and a Board of Directors for full or unexpired terms, as the case may be, the hearing of reports, the determination of the annual rate of Fellowship Dues to be proposed to the Churches, to act on the recommendation of the Board of Directors concerning the amount or proportion to be retained from Our Christian World Mission giving of the Churches, and the transaction of other business. Each year the Conference also shall convene a Fall Meeting within said Commonwealth on the third Saturday of October (or at such other time within the period from September fifteenth through November fifteenth as the Board of Directors may determine); provided, however, that the Conference at any Annual Meeting may vote not to hold the Fall Meeting that year. The budget of the Conference ordinarily shall be presented for adoption at the Fall Meeting, but in any year when the Board of Directors recommends not to hold the Fall Meeting, and it is so voted, then the budget shall be presented for adoption at the Annual Meeting.

2. *Special Meetings.*

- a. Special meetings of the Conference may be convened by the Board of Directors, at such times and places within the Commonwealth as may be determined by the Board, provided, however, that notice of any special meeting and the purposes thereof shall, at least three weeks before the date of the meeting, be sent by mail to each of the Churches entitled to send delegates to the meeting, posted in the general office of the Conference and printed in newspapers published in Boston, Worcester and Springfield.
- b. A special meeting of the Conference shall be convened by the Board of Directors upon receipt by the office of the Secretary of the Conference or Chairman of the Board of Directors of a written petition stating the proposed purposes, and signed by not less than one hundred persons who shall be voting members of the Conference as defined and who shall represent at least fifty Churches, within sixty days of the receipt of such petition unless an already scheduled meeting of the Conference will be held within ninety days.
- c. No action shall be taken on any item of business not specified in the notice of the meeting.

3. *Call To Order.* The Moderator, or in his absence the Vice Moderator, shall call the meeting to order and preside. In the absence of both of them, a member of the Board of Directors shall call the meeting to order and conduct the election of a Moderator Pro-tempore.

4. *Budget.* Not later than one month prior to the meeting of the Conference at which the budget will be presented for approval, there shall be mailed to each Church entitled to send delegates to the meeting sufficient copies of the budget and of the Treasurer's report to provide one copy for each minister and for each delegate to which the Church is entitled. No increases or additions to the budget can be considered on the floor of the Conference Meeting unless a written proposal is filed with the office of the Secretary at least ten days prior to the meeting.

5. *Quorum.* At all meetings of the Conference a quorum shall consist of 200 voting members.

ARTICLE V

1. *Voting Members.* The voting membership of a Conference Meeting shall consist of
 - a. the following representatives from each Church or Congregation which is a member of an Association in fellowship with the Conference:
 - (1) two delegates chosen by and from each such Church or Congregation to serve at its pleasure; and one additional delegate chosen by and from each such Church or Congregation to serve at its pleasure for every three hundred members, or major fraction thereof in excess of three hundred, as determined by the number of its members as of December 31 of the year immediately preceding; (Churches are urged, in conformity with the spirit of actions taken by the General Synod, to choose delegates from all areas of interest. This contemplates a lay delegate body with equal representation of men and women, representation of minority groups, and with a goal of 20% of all lay delegates under 30 years of age.)
 - (2) the pastor or pastors, including lay pastors, of each such Church or Congregation, provided such pastor shall have standing in an Association in fellowship with the Conference; and

Persons nominated or employed by the Board of Directors as Executive Officers and staff shall be informed of Conference practice with regard to review of job performance and content and professional support status.

6. Retirement Age. The mandatory retirement date for any Executive Officer, staff member or employee shall be the Annual Meeting following his attaining age

The Conference shall maintain a special roll of ministers to which names may have been transferred by the Associations. This special roll shall be in charge of the Church and Ministry Committee and the presence of a name there shall constitute evidence that the person has been duly ordained and has had standing in a member Association; but the Committee shall not issue credentials to a person whose name appears on this roll unless they find in concurrence with the Committee on the Ministry in this person's Association that this person's character and qualifications are satisfactory.

6. The reports of all Committees and Councils that are to be presented to the Conference Annual Meeting shall be furnished to the Secretary on or before April first of each year, and shall be printed and distributed to the Churches not less than

7. Such Committees, Councils, or other *ad hoc* groups as the Conference may vote to constitute or recognize shall be established by voice vote at each Annual Meeting for such terms as the Conference Meeting shall determine. The Board of Directors shall present at each Annual Meeting a list of Committees, Councils or other *ad hoc* groups, the appointment of which it recommends.

Whoever is nominated to the Board of Directors or any Committee or Council of the Conference on the basis of his residency in one of the five Areas of the state shall be considered to have resigned if during his term of office he moves to a different Area of the state or moves from the state. It will be the responsibility of the Board of Directors, Committee, or Council involved to determine whether to accept a resignation.

MINUTES OF THE 178TH ANNUAL MEETING

of the
MASSACHUSETTS CONFERENCE
of the
UNITED CHURCH OF CHRIST

April 29, 30, May 1, 1977, Springfield/Chicopee, Mass.

The 178th Annual Meeting of the Massachusetts Conference of the United Church of Christ was called to order by the Moderator, the Rev. Justin J. Hartman, at 2:00 p.m. on Friday, April 29, 1977, at the Treadway Inn in Chicopee, Massachusetts. The theme for the Meeting was "The Family of the Covenant" and was taken from two sources:

Jeremiah 31:31-34

"Behold, the days are coming, says the Lord, when I will make a new covenant with the house of Israel and the house of Judah, not like the covenant which I made with their fathers when I took them by the hand to bring them out of the land of Egypt, my covenant which they broke. But this is the covenant which I will make with the house of Israel, says the Lord. I will put my law within them, and I will write it upon their hearts; and I will be their God, and they shall be my people. And they shall all know me, from the least of them to the greatest, says the Lord; for I will forgive their iniquity, and I will remember their sin no more."

Salem Covenant

"We covenant with the Lord and one with another; and doe bynd ourselves in the presence of God, to walke together in all his waies, according as he is pleased to reveale himself unto us in his blessed word of truth."

The Worship/Celebration services for the Meeting were prepared and conducted by members of the Worship Commission.

Following the opening Worship/Celebration, led by Mrs. Dinny Brownlee and the Rev. Philip H. Ward, Minister of the Chicopee Federated Church, greetings and welcome from the local committee were brought by the Rev. Nevin H. Kirk, Minister of the Springfield Emmanuel Church.

Mr. William Cook and the Rev. Nancy F. Hildonen were appointed to the Credentials Committee. Mr. Cook, as chairperson, reported on advance registrations, which consisted of Lay Delegates, 457; Clergy, 211; Directors of Christian Education 10; Guests, 100; Ex-Officiis, 23; for a total of 801.

The Moderator declared that a quorum was present. He then called the attention of the Meeting to the Ground Rules as printed in the 1976 Conference Year Book and circulated prior to the Meeting. (The Ground Rules follow these minutes.) The Moderator introduced the Parliamentarian, Mr. Richard B. Osterberg, attorney, from the firm of Weston, Patrick, Willard & Redding. The voting procedures were outlined. The following committees were appointed:

Ushers and Tellers: The Rev. Dr. Bruce O. Breuer and the Rev. Sanford Fasth, Co-Chairpersons; the Rev. Carlyle Smith, Mr. and Mrs. Roy Miller, Mr. John Perman, Mr. and Mrs. Robert Trainor, the Rev. and Mrs. Robert Bruns, Mr. and Mrs. Richard Carpenter, Mrs. Florence McConnell, Mr. Kenneth E. Paine, Mr. and Mrs. Peter Thompson, the Rev. William Tolley, the Rev. Neal Lund, Mrs. Ethel Evans, the Rev. Glen Schwarz, Mr. Richard Taylor, Mr. Edwin Lombard, Mr. Deane Clark, the Rev. Robert Kyte, Mr. Michael Getchell, Mrs. Janet Loveland, Mr. Raymond Loveland, Mr. John Delay, the Rev. Harry Stuckenbruck, Mr. Jeremy Kavka, Mrs. Charlotte Kavka, Mr. Ernest Tirrell, Mr. William Joy, Mr. William Joy, Jr., Mr. William Ertel, Mr. Philip Ertel, Mr. Ralph Miller, Mr. Russell Callahan and four young people from the First Congregational Church in Ludlow, under the direction of Mr. and Mrs. Jerome Pauze.

Business Committee: Mrs. Faith Johnson, Chairperson; Mr. Howard L. Baker, Dr. Erna Ballantine Bryant, Mrs. Ruth Clark, Mr. William Cook, Mr. Richard M. Harter, the Rev. Nancy Hildonen, Mrs. Jean Knibbs, and Mr. Philip H. Smith.

Mrs. Faith Johnson, Chairperson of the Business Committee, presented the Order of Time and Events which the Committee recommended be adopted as the agenda. Mr. Floyd Folsom of Topsfield moved to postpone the vote on whether or not to hold a Fall Meeting until Saturday afternoon, April 30. Following discussion, the motion was lost. A delegate moved to change the time of the consideration of the Bylaws from 3:30 p.m. on Friday to 2:30 p.m. on Saturday. The motion was lost. It was moved and

VOTED: That the Order of Time and Events, as circulated, be adopted.

It was moved and

VOTED: That the Minutes of the Annual Meeting, April 30, May 1, 2, 1976, Springfield, Massachusetts, be approved as printed.

The Rev. J. Everett Bodge, speaking for the Executive Committee of the Board of Directors, presented the name of the Rev. Avery D. Post to be the Conference Minister and President of the Massachusetts Conference for another year. (No action to be taken on this matter until Saturday.)

The Rev. Stanley G. Russell, Chairperson of the Church and Leadership Committee, presented an incomplete slate of Officers and Committee Members for the ensuing year. He pointed out that some positions as they now exist may be phased out. (This report, along with additions, will be acted upon on Saturday afternoon.)

The Report of the Associate Conference Minister and Secretary, the Rev. Emil C. Beck, was presented with comments. He called attention to the fact that 110 of the 488 churches in the Conference did not submit their annual reports and figures in time to be included in the Year Book report.

The Treasurer of the Conference, Mr. Carleton K. Finch, presented his report. He called attention to the deficit indicated on line 28 of his report, and remarked that the Directors have a continuing concern to answer these three questions: "Why did this happen?" "What did we do about it?" "How can we prevent its happening again?" He pointed out that last September the deficit was projected to be in excess of \$80,000; and that through care-

ful management it was reduced to \$28,000. After questions from the floor, it was moved and

VOTED: To accept the various reports as printed and circulated.

The Moderator next presented the Rev. Robert D. Witham, formerly a member of the Massachusetts Conference staff, and now the New England Regional Representative of the Office for Church Life and Leadership. He also presented to the Meeting Dr. Erna Ballantine Bryant, who is the Assistant Moderator of the United Church of Christ.

The Moderator welcomed guests to the Meeting. It was moved and

VOTED: That the following be elected Honorary Delegates for this Meeting, with voice, but no vote: The Rev. Dr. Joseph H. Evans, President of the United Church of Christ, and his wife, Mrs. Harriet Evans; the Rev. Dr. James A. Nash, Executive Director of the Massachusetts Council of Churches; Dr. Rena Karefa-Smart, Research Associate at the Harvard Divinity School; the Rev. David Murray, Fraternal Delegate from the Christian Church (Disciples of Christ), and Sister Raphaelle Fahey from Merrimac College.

Then the Moderator introduced those members of the Massachusetts Conference Board of Directors who were present, the members of the Business Committee, and the staff members of the Massachusetts Conference.

Mrs. Helen R. Barnes, Chairperson of the Board of Directors, presented the Board's recommendation that there be no Fall Meeting of the Conference in 1977. It was moved and

VOTED: That the Annual Meeting adopt the recommendation of the Board of Directors not to hold a Fall Meeting of the Conference in 1977.

The proposed change in the Bylaws of the Massachusetts Conference which provides for the establishment of a Secretary was presented by the Rev. Donald E. Overlock. The present division of work was explained by the Rev. Emil C. Beck. Several persons spoke to the motion. Two amendments were lost and one, made by the Rev. George B. Higgins, was carried.

On recommendation of the Board of Directors, and with the amendment made by the Rev. George B. Higgins, it was moved and

VOTED: To amend the Bylaws, Article VI, paragraph 2, clause b. to provide for the election of a Secretary of the Conference who would not be full time, by striking paragraph 2, b.

"The Secretary shall keep the records of the Conference, except as heretofore described and provided for, and shall assist in the general work of the Conference under the direction of the President. He shall devote himself in co-operation with the Area Ministers, and under the direction of the President to counseling with and assisting the Churches, and shall perform such other duties as may be assigned to him by the Board of Directors or the President. He shall have the custody of the records and of all bonds given by the Treasurer as hereinafter provided. He shall furnish copies of the record certified under the seal of the Conference (which shall be in his keeping) to such persons as may be entitled thereto.

The Secretary shall collect and publish in connection with the Annual Report of the Conference the statistics of ministers and Churches and make up the official roll of the ministers and Churches in accordance with the usages

of the denomination. He shall present to the Conference at its Annual Meeting a general statistical statement of the progress of religion in the Churches for the past calendar year. He shall give suitable notice to the Churches of the time and place of each Annual Meeting, notify Officers and Committees of their election or appointment and fulfill such other functions as the Conference or the Board of Directors from time to time directs."

and substitute the following to read:

"The Secretary shall keep the records of the Conference, except as heretofore described and provided for. The Secretary shall perform the duties incident to the office and such other duties as may be assigned to the office by the Board of Directors or the President. The Secretary shall have the custody of the records; the seal of the Conference; and of all bonds given by the Treasurer as hereinafter provided; and shall furnish copies of the records certified under the seal of the Conference to such persons as may be entitled thereto."

The Rev. Kenneth B. Anthony gave the first in a series of "spot presentations" on world hunger and what is being done to help to alleviate and solve the many problems associated with it.

A resolution on "Reclaiming Christian Education as a Priority" was introduced by Mrs. Sylvia Ellis, who, with the Rev. Nancy Hildonen presented background information in support of the resolution. It was moved and

VOTED: BE IT RESOLVED that the Massachusetts Conference reclaim Christian Education as a priority by helping congregations to evaluate their whole church program, identify needs, and design their educational process to meet those needs.

After several announcements, the Business Session was adjourned until Saturday morning at 9:00. The delegates recessed to The Springfield Room in an adjacent building to hear simultaneous presentations on The Covenant and Southern Africa, presented by the Conference Task Force on Southern Africa, and The Covenant and Concern for Health Care and the Youthful Offender, presented by the Conference Committee on Church and Community.

The Rev. Dr. Joseph H. Evans, President of the United Church of Christ, addressed the delegates and guests at a Fellowship Dinner beginning at 6:00 p.m.

Saturday, April 30, 1977

The Moderator reconvened the Meeting at 9:00 a.m., followed by a Worship/Celebration led by members of the United Church Youth Council. A skit, based on I Corinthians 12, was presented to depict the need for the members of a church to work together in the same way that the various parts of a human body function in harmony.

Mr. Hartman introduced the Rev. Avery D. Post, who gave his report as Minister and President of the Conference. It was followed by a standing ovation. (Mr. Post's address follows these minutes.) Mr. Post concluded by naming the new members of the Conference staff:

Mrs. Peg Jacobs, Resources Consultant/Coordinator
The Rev. Dr. Walter A. Telfer, Staff Associate in Planning and Organizational Development

He also mentioned the work of several consultants assisting the Conference:

Mr. Edward Metcalf, Consultant in Communications
The Rev. Edmund W. Nutting, Director, Planned Giving Office
The Rev. Verne E. Henderson, 17/76 Achievement Fund

Mr. Post also presented the new Area Consultants in Christian Education:

The Rev. Charles Hambrick-Stowe, Central Area
Mrs. Faith Johnson, Northeast Area
Mrs. Anne Abernethy, Metropolitan Boston Area
Mrs. Virginia Alden, Western Area
Ms. Marjorie Williams, Southeast Area

It was moved and

VOTED: To accept the Report of the Minister and President.

Another "spot announcement on hunger" was made by the Rev. Kenneth Anthony:
(1) the need to know; (2) the need to modify our life-style.

The Moderator introduced Mrs. Helen R. Barnes, Chairperson of the Board of Directors, and thanked her for her competent and devoted service to the Conference. She, in turn, called upon the Rev. Richard A. Stoehr, Chairperson of the Finance Committee of the Board of Directors. Mr. Stoehr reported on the financial condition of the Conference, basing his comments on a consideration of the four sheets which had been presented to the delegates:

- (1) The Statement of Financial Operations, dated December 31, 1976.
- (2) Goals for 1978 and Budget Development Steps.
- (3) Outline Budget for 1978.
- (4) Votes taken by the Board of Directors on March 6, 1977.

The Rev. Stoehr presented next a suggestion of four options by which an increase in the budget might be made: (a) a major increase in OCWM giving, (b) a major increase in Fellowship Dues, (c) a major increase in the Retention Rate, (d) any combination of the foregoing.

Mrs. Helen R. Barnes introduced the Rev. Harris B. Hinchcliff, Chairperson of the Program Development and Coordinating Committee of the Board of Directors. Mr. Hinchcliff explained two documents which had been presented to the delegates:

- (1) 1978 Goals and Budget Development Steps, and (2) Proposed Directions and Goals.

The Conference delegates then gathered in assigned clusters for small group discussions on Goals Development.

The recess for luncheon followed.

The Moderator reconvened the Meeting at 2:00 p.m. and the session began with comments on Program Development by Mrs. Helen R. Barnes.

Mrs. Carol Wilson described the history and present status of United Ministries for Higher Education (UMHE). She read aloud the report of the Evaluation Committee to this Annual Meeting, as distributed, and stressed the need for long-range planning.

The report on Structure Design was presented by Mrs. Joan Arnold and the Rev. Saul E. Katz. Their presentation was based on two documents previously distributed to the

delegates. The proposed change involves a transition from the present Committee structure to two Councils: a Council on Local Church Life and Leadership, and a Council on Mission Outreach and Social Responsibility. In addition, Task Forces would be appointed by the Councils to perform specific tasks. It was proposed that the Committees and the Councils operate in a parallel manner until next year's Annual Meeting. Then, if the appropriate changes in the Bylaws are adopted, the newly-created Councils would be in full operation, and the present Conference Committees would be phased out.

This report was followed by prolonged discussion. It was then moved, and after several amendments failed to pass, it was

VOTED: That the Massachusetts Conference of the United Church of Christ test the Structure Design, as voted by the Board of Directors on July 28, 1976, for the period beginning May 1, 1977 to April 30, 1978 and that

(1) the Council of Local Church Life and Leadership and the Council on Mission Outreach and Social Responsibility each submit a report, with recommendations, to the Board by March 1, 1978.

(2) the Conference Evaluation Committee submit its evaluation of the development process by March 1, 1978.

(3) the Board make its recommendations, with Bylaw changes, if called for, to the Annual Meeting in May 1978.

Mrs. Phyllis Baldwin reported on the 1977 campaign for the retirement of the debt incurred by the move to Framingham and the development of the UCC Center. She urged participation in some way by all the churches in 1977 and invited everyone to come and see the new facilities at an Open House to be held on Sunday, June 5, 1977, from 2:00 to 5:00 p.m.

Another "spot announcement" on hunger was given by the Rev. Richard L. Dodds.

Following a brief recess, the Rev. Richard A. Stoehr moved: That the adoption of the Outline Budget for 1978 as presented by the Board of Directors and as circulated, be adopted. The motion was seconded and discussion ensued. Many felt that an outline budget was not adequate, and that line item figures should have been presented throughout. Some persons felt it to be unwise to change so drastically the historic nature of the Conference budget and to entrust so many details entirely to the Board of Directors. An amendment was moved to request the Board of Directors to prepare a more detailed budget for presentation before the close of the meeting. The amendment was lost. The discussion reverted to the main motion. Mr. Robert Winterhalter moved and it was

VOTED: To table the motion to adopt the proposed 1978 Outline Budget.

It was moved and

VOTED: To reconsider the previous vote not to have a Fall Meeting of the Conference.

A second vote was taken on Mrs. Helen R. Barnes' earlier motion not to have a Fall Meeting. This time the motion was rescinded. It was moved and

VOTED: That the Conference meet in the Fall of 1977 in order to authorize the Budget for 1978.

Dr. Erna Ballantine Bryant asked for personal privilege as a member of the Business Committee. Dr. Bryant moved and it was

VOTED: That the Massachusetts Conference of the United Church of Christ recognize and affirm the existing relationship between its Minister and President the Rev. Avery D. Post and a certain lady named and called Peg Post who has demonstrated by her quiet support, dignified mien, love and warmth that she has been the primary moving force behind the leadership we have long admired and respected.

FURTHER that this body meeting in plenary session convey its love and concern and that it be duly recorded in the minutes as well as in the hearts of Avery and Peg Post for as long as they both shall live.

The meeting recessed.

When the Moderator reconvened the Meeting, a Basic Support Goal for 1978 of \$1,154,000 was presented by the Rev. Paul E. Barnes, as recommended by the Board of Directors on advice of the Church and Mission Committee. It was moved and

VOTED: That the goal for total OCWM Basic Support for 1978 be set at \$1,154,000. and that the OCWM Basic Support Retention Rate for 1978 be set at 22%.

A lively debate followed concerning the rate for Fellowship Dues for 1978. The purpose and use of the dues were described. It was noted that in 1976 about 100 churches failed to remit any Fellowship Dues. A question as to how the Fellowship Dues relate to OCWM was not fully clarified. A motion to underwrite our commitment to UMHE by increasing the dues in 1978 from \$2.15 to \$3.20 was defeated.

A motion was made and seconded to increase the Fellowship Dues to \$2.25, of which 15¢ is to be designated for debt reduction. Discussion followed, and an amendment was offered to instruct the Area Ministers to discuss with the affected churches the reasons for non payment of dues. The amendment was passed. There being no further debate, the main motion as amended was

VOTED: To recommend to the Annual Meeting that the Fellowship Dues for 1978 be set at \$2.25 per church member as reported for January 1, 1978, of which 15¢ is designated for debt reduction; and that each Area Minister discuss the reasons for non payment of Fellowship Dues during the last fiscal year with each affected church and report to the Directors prior to January 1, 1978. A synopsis shall be prepared for the next annual meeting.

Acting for the Board of Directors, Mr. Clement E. Sutton, Jr., presented the Board's recommendation requiring early submission of resolutions to be brought before the Conference. It was moved and

VOTED: That any resolution to be acted upon at a stated meeting of the Massachusetts Conference of the United Church of Christ must be circulated among the Churches at least one month prior to said meeting. A resolution which is needed and could not be foreseen one month prior to the meeting must be submitted in writing to the Business Committee of the Conference, and, if it approves, may come to the floor upon a majority vote of the delegates.

The Rev. Stanley Russell, Chairperson of the Nominating Committee, presented a list of nominees for Conference members of the Board of Directors, Committees and Councils, and General Synod delegates for the coming year. He explained that, after careful consideration, the Directors felt that there was no conflict of interest that should prevent Mrs. Faith Johnson of Georgetown from being an Area Consultant in Christian Education and the Moderator of the Conference simultaneously, as long as she is willing to serve the Conference in both capacities. It was moved and

VOTED: That nominations for Officers of the Conference and for members of the various committees, councils, agencies and Board of Directors be closed.

It was moved and

VOTED: That the Secretary cast one ballot for the slate offered.

(A complete list of Officers, Executive Officers, Boards, Committees, Councils, representatives to agencies, and delegates to the General Synod is printed in another section of the Conference Year Book.)

The Rev. Donald E. Overlock presented for the Board of Directors the name of Mrs. Irene M. Anthony to fill the newly created office of Secretary of the Conference. It was moved and

VOTED: To instruct the Recording Secretary of the Conference to cast one ballot to elect Irene M. Anthony as Secretary of the Conference.

She was declared elected by the Moderator.

It was moved and

VOTED: That the Secretary cast one ballot for the election of:

The Rev. Avery D. Post, Minister and President

The Rev. Emil C. Beck, Associate Conference Minister and Treasurer

They were declared elected by the Moderator.

The Chairperson of the Ecumenical Commission of the Conference, the Rev. Dr. Thomas E. Dipko, presented and explained the Resolution on Conversation with the Disciples of Christ. It was moved and

VOTED: BE IT RESOLVED that the Massachusetts Conference of the United Church of Christ welcomes and supports the recommendation of the Executive Council that conversations be pursued between the United Church of Christ and the Christian Church (Disciples of Christ) concerning their relationship and possible union, and that the Massachusetts Conference urge the Eleventh General Synod of the United Church of Christ to adopt and implement the Executive Council's recommendation.

The Resolution submitted by the Topsfield Church on declining membership was introduced by the Rev. Westy Egmont of Peabody: A Resolution on the Progress of Religion in the Massachusetts Conference of the United Church of Christ.

It was moved and

VOTED: WHEREAS the total number of churches declined by seven last year and remained at 488 this year, and

WHEREAS total membership in all churches of the Conference fell by 3,645 members and

WHEREAS the removal of members continues to exceed the additions, and

WHEREAS the decline in UCC church membership has continued for at least 10 consecutive years, and

WHEREAS church school enrollment, a source for future members, continues to decline in equally alarming numbers and has done so since at least 1958:

BE IT THEREFORE RESOLVED that the 178th Annual Meeting of the Massachusetts Conference of the United Church of Christ appoint an ad hoc committee to study the reasons for the declines in membership so as to recommend ways to better meet the spiritual needs of people and increase church membership and church school enrollment, and

BE IT FURTHER RESOLVED that the Board of Directors work closely with, and offer guidance to, the ad hoc committee, and

BE IT FURTHER RESOLVED that a conclusive recommendation be made at the next annual meeting of the Massachusetts Conference of the United Church of Christ for the benefit and guidance of all churches in the Conference to increase their membership.

Mr. William Cook introduced a Resolution on the Boston Seaman's Friend Society and it was moved and

VOTED: In the year of the 150th Anniversary of the Boston Seaman's Friend Society and about 50 years after the Massachusetts Conference made the Boston Seaman's Friend Society its agent in ministry to seamen from around the world

BE IT RESOLVED that the Massachusetts Conference of the United Church of Christ reaffirm its historic relationship to this unique mission and

COMMEND this mission to the churches as worthy of their support.

The Meeting was recessed for dinner.

The Meeting was reconvened at 7:50 p.m. by the Moderator.

Before continuing with business, the delegates enjoyed a concert by the Choir of St. John's Congregational Church of Springfield.

Another "One Minute Spot Report on Hunger" was given by the Rev. Kenneth B. Anthony.

Mrs. Phyllis Baldwin made another plea for delegate support of the Framingham debt reduction fund.

The Resolution on the Arts was offered by the Rev. Larry Hill of the Church of the Covenant in Boston. After discussion and comment, it was moved and

A RESOLUTION ON
THE CHURCH AND THE ARTS

WHEREAS we are heirs of the biblical inheritance of art, of the God who created form out of chaos and put life and breath into the dust of the earth, of David who danced before the ark and sang songs of the struggle and the soothing power of faith, of Jesus who drew pictures in parables and raised the common elements of our lives to a symbolic and sacred use, and of John who revealed a new vision of heaven coming to earth;

WHEREAS the church through the ages has been patron and preserver of the arts and the artists;

WHEREAS the United Church of Christ firmly believes in the development of the whole person as a cultural, social, and political being;

WHEREAS the potential for magnificent creative activity exists within and among each of us;

WHEREAS we believe that the arts are a prophetic and effective channel for the mediation of God's judgment and grace for the redemption of the world. As we are drawn into a work of art, we experience its transforming power. As the arts open us to new ways of understanding both personal and public life, they give us insight and energy to act in love and justice for the sake of the Holy.

THEREFORE, BE IT RESOLVED that the 1977 Annual Meeting of the Massachusetts Conference of the United Church of Christ affirm the contributions of arts and artists that enrich the quality and the vitality of life in our church and world, recognizing that the artists in our midst illuminate the symbols by which our historic faith is made known and enable the people of God to experience and express the living and liberating power of God.

FURTHER, BE IT RESOLVED that we affirm the arts both inside and outside the church, not to baptize them or to control the artists, but to renew, sustain, and transform people in a new sense of themselves as persons and in relation to each other in community.

BE IT RESOLVED that we urge the United Church of Christ, through its instrumentalities, publications and church related institutions (educational, welfare, health, etc.) to recognize and support the arts.

FURTHER, that we urge local churches to:

- encourage the expression of all forms of arts and crafts, including the indigenous art of ethnic minorities and women.
- examine their use of physical space in order to consider sharing space available with the community's artists.
- support and expand the number of artists in residence both in the church and in the community, that they may contribute to the life of the church and its neighborhood.
- struggle for justice for the artists in our society.
- support state and local arts agencies and councils and state and local municipal governments to the end that no one be denied opportunities to create and experience art because of barriers of circumstance, class, race, sex, income or remoteness.

BE IT RESOLVED that we encourage members of the church to risk opening themselves to the power and dynamics of the contemporary arts.

We encourage seminaries and colleges related to the church to take seriously esthetic ways of knowing and communicating through art the judgement and grace of God in their curriculum and degree programs.

We encourage the judicatories of the church to recognize and support certain churches as having special ministries to and with artists.

We support and urge membership in the United Church of Christ Fellowship in the Arts.

A RESOLUTION ON THE SMALL CHURCH

WHEREAS, 205 of the Churches of the Conference have 199 members or less, including 101 Churches with 99 members or less;* and,

WHEREAS 189 of the Churches of the Conference are in towns of less than 10,000 people, including 124 Churches in towns of less than 5,000 people; * and,

WHEREAS in many small towns and villages our Churches are the only Churches or the only Protestant Churches serving the community; and,

WHEREAS many of our smaller churches have found it difficult to find trained United Church of Christ leadership; and,

WHEREAS many of our smaller Churches are facing financial crisis; and,

WHEREAS 14 small Churches have withdrawn from the Conference just since 1970; and,

WHEREAS the number of small Churches in the Conference is on the increase;

BE IT THEREFORE RESOLVED that the Massachusetts Conference of the United Church of Christ accept as a two-year priority the challenge to study the nature of the small Church, to seek out the needs of these Churches, and to implement measures by which these needs can be met; and,

BE IT FURTHER RESOLVED that this work include but not be limited to the following:

a) That the Conference communicate with the closely related and area Seminaries and Theological Schools in order to stimulate their interest in providing exposure of their students to the opportunities and challenges of these smaller churches and to develop training programs in existing and new formats for the benefit of the students and these Churches.

b) That the Conference examine functional models of professional leadership for these Churches (such as yoked parishes, ecumenical federations, tent-making ministries, and part-time ministries) and incorporate these models in the placement policies and procedures of the Conference.

c) That the Conference reaffirm its historic commitment to local churches by providing a financial reserve within each budget for the purpose of readily accessible and adequate aid to Churches in crisis and/or in transition.

A RESOLUTION ON AN OVERTURE TO GENERAL SYNOD XI OF THE UCC

TOWARD A NEW URBAN AGENDA

"They shall build up the ancient ruins,
they shall raise up the former devastations;
they shall repair the ruined cities,
the devastation of many generations."

ISAIAH 61:4

INTRODUCTION

The purpose of this overture is 1) to begin a process by which the United Church of Christ can reaffirm its historic ministry in, to, and for the city, 2) to consolidate the social policy of the church in such a way as to bring fresh focus on the current conditions of human living, and, 3) to develop a procedure whereby the diverse ministries of the church can be integrated to address the complex problems facing Urban America.

From Paul's journeys to the cities of the biblical world, through the Reformation in the cities of Europe, to the U.C.C. priorities on the cities of the last decade, this urban agenda continues a long term commitment of the faithful to urban people. Throughout this tradition, many theologians have held that the church is the soul of civilization, and that any civilization that does not love its cities cannot long survive.

In our age, we see ourselves as a people of God whose destiny is 20th Century urban America. The membership of our church represents a broad cross section of the American people. We are middle class, poor and affluent. We come from different ethnic, racial and cultural backgrounds. We live in towns, cities, suburbs, and rural areas. Yet, whatever the various settings and circumstances of our lives, we are a people bound together by a culture, a political order, and an economy which are dominated by urban patterns of life. Our cities, on the one hand, continue to gather, store, exchange, and disseminate, as does no other place, the goods, the knowledge, the wealth, the memories and the hopes of humanity. On the other hand, precisely in these centers, we know that poverty persists, inequity is rampant, injustice continues, and a sense of powerlessness infects the soul of many who at one time felt hope.

In this situation, our commitment to work for social justice under God arises from the awareness that we ourselves are partners in suffering so long as we live in a society which oppresses any of our brothers and sisters. With the Prophet Isaiah, we believe that when we turn to one another rather than away from one another, "our healing shall spring up speedily." We hear also the New Testament calling to repentance, to a turning around, in preparation for the anticipated New Jerusalem.

With this hope and under that vision we call for a renewal of the Church's urban mission.

PLAN OF ACTION

BE IT RESOLVED:

1. that the XI General Synod of the United Church of Christ calls for a renewal of urban mission for itself, its instrumentalities, agencies, conferences, and local churches;
2. that a two year process of development be organized by the Executive Council which shall:

- a. review and evaluate all recent programs of the instrumentalities and agencies of the church which are pertinent to a renewal of urban mission and of the theological assumptions on which they rest;
 - b. analyze the prospects and strategies for the survival and vigor of the churches' presence and ministry in the cities;
 - c. review and consolidate all social policy positions now on record pertinent to these concerns as voted by the various branches of the church;
 - d. prepare a theologically grounded statement on the responsibilities of the church in and with the city for the 1980's and on that basis;
 - e. make recommendations concerning the integration of future programs and priorities to the XII General Synod.
3. That this process be funded with a team assigned which shall consist of instrumentality, Conference, and local church leadership with special competence in various issues and disciplines related to the city.

A RESOLUTION ON SUPPORT OF THEOLOGICAL SEMINARIES

WHEREAS our churches have depended for a continuing supply of learned ministers on the excellent theological seminaries related to us by ties of tradition and organic connection, and

WHEREAS support of these schools from endowments and gifts of individuals and churches has become increasingly inadequate because of the relentless pressure of inflation, and

WHEREAS The General Synod of the United Church of Christ has not been able to continue the support it has given them in the past because of dwindling funds available, and has asked Conferences and local churches to try to fill this gap by making regular contributions, especially to those schools that by charter are formally related to the United Church of Christ,

NOW, THEREFORE, BE IT RESOLVED that the Massachusetts Conference urges all its churches to make annual gifts of at least \$300 to a theological seminary or seminaries based on the following considerations:

1. Since it costs a seminary about \$12,000.00 to educate each minister and 40 years of service is above the average professional life of a minister, a church which intends to pay the replacement cost in terms of education of its pastor should contribute at least \$300.00 per year to some theological seminary for each pastor who serves it. Others may choose the General Synod norm of 2% of the local expense budget.
2. Such gifts may be sent to seminaries directly or through the Conference Treasury; if gifts are sent directly the Conference should be informed so that it may be able to report how much support seminaries are receiving from the churches.
3. Criteria used by churches to determine which seminary to support should include the following:
 - a. Bangor Theological Seminary and Andover Newton Theological School are the two seminaries in New England related by charter to the United Church of Christ.
 - b. Bangor, which makes it possible for people with late vocations to enter the ministry even if they have not completed college, has operated at a deficit for many years.
 - c. Andover Newton, over its one hundred and seventy year history has been one of the chief sources of trained clergy for our Conference.
 - d. Many other seminaries, both in New England and in other parts of our country, have provided churches in our Conference with excellent pastoral leadership.

RESOLUTIONS ON SOUTHERN AFRICA

SUBMITTED BY THE TASK FORCE ON SOUTHERN AFRICA TO THE 178TH ANNUAL
MEETING - April 29-May 1,
1977

RESOLUTION #1-DECLARATION

We, the delegates to the 178th Annual Meeting of the Massachusetts Conference of the United Church of Christ, declare that:

Our commitment to Jesus Christ and the principles of equality and justice for all challenges and condemns the continuing practice of apartheid and emphasizes that equity and social justice are more important than raw materials and financial gains.

RESOLUTION #2-NAMIBIA

Since the United Nations has declared, after careful study, that the South West African People's Organization (SWAPO) is the most authentic voice of the people of Namibia, WE URGE SUPPORT for this group in their struggle for independence AND ENCOURAGE OUR GOVERNMENT to negotiate, through diplomatic channels with South Africa, the inclusion in significant numbers of SWAPO representatives in the constitutional talks.

RESOLUTION #3-ZIMBABWE

Former Secretary of State Kissinger met with Prime Minister Vorster of South Africa and Prime Minister Ian Smith of Rhodesia and formulated a proposal for negotiated transfer of government into the hands of the majority. Since it now appears that the black Zimbabwean nationalists representing the majority were not consulted, and that Ian Smith's interpretation of "majority government" is not that of black rule in a nation 95% black, WE THEREFORE URGE that the black nationalists of Zimbabwe be supported in their insistence that the control of the police and the army be in the hands of the African majority during the transition period; that the body framing the new constitution reflect the racial make-up of the population; and that the transition to majority government be accomplished by March 1, 1978. WE URGE SUPPORT for all their efforts to secure majority government.

WE COMMEND the recent action of the President and Congress in the repeal of the Byrd amendment so that now Rhodesian chrome can no longer be imported into the United States.

RESOLUTION #4-SOUTH AFRICA

Since the African Reserves policy restricts African land ownership and occupation to 13% of the country's land area and since the area is too small and inadequate to provide for the needs of a rural population, there is ensured a flow of migratory African labor into a market controlled by whites. The contribution of foreign investments strengthens the white economy and its military machine. That military machine in turn protects the interests of both the white minority and the United States investors.

As shareholders in these businesses and corporations - individuals, conferences, churches and instrumentalities - we are cooperating with the segregationist apartheid policies that the white minority government continues to enact and enforce in the Republic of South Africa.

The apartheid policies of the white minority government of the Republic of South Africa are supported and in truth encouraged by the continual presence of United States businesses and corporations. Those corporations should cease operations and withdraw from the Republic of South Africa until the time when there is a majority government chosen by the people of South Africa in free elections.

WE THEREFORE URGE that individuals, churches, conferences and instrumentalities exert moral pressure on United States corporations and businesses to withdraw from the Republic of South Africa and to take all actions necessary to achieve this goal. In the event that withdrawal is not accomplished we as individuals and as a corporate church shall continue to reap the financial and material benefits accruing from the physical and spiritual misery of the majority of South Africans who are black and coloured.

WE URGE UNDERSTANDING AND SUPPORT FOR the residents of African townships who are protesting the evils of apartheid with their lives and WE DEPLORE the violence of the South African Government's reprisals with thousands imprisoned and hundreds killed, and CALL UPON THE U.S. GOVERNMENT, CHURCHES AND INDIVIDUALS to express their indignation to the Republic of South Africa.

WE CONTINUE TO SUPPORT the position of the United Nations with its non-recognition of the Transkei.

WE COMMEND the Bishops of the Roman Catholic Church in South Africa who, in obedience to conscience, have challenged in word and in deed the apartheid laws of their government in so far as they affect their church, their schools, their hospitals and their orphanages and we commend the Anglican Church of South Africa in their stated aim to desegregate their schools; and we urge other Christian brothers and sisters to speak out and act for similar changes.

RESOLUTION #5-SOUTH AFRICA

We encourage the United Church of Christ at all levels in their efforts to keep high the United States and World consciousness of the facts and implications of injustice in Southern Africa.

We urge the United Church Board for World Ministries to continue and enlarge its programs for African leadership development.

We encourage the UCBWM to offer its resources to bring together people for mutual understanding, wherever possible, toward justice in Southern Africa.

We support the efforts of the UCBWM to bring African leaders into the life of the American church and Americans into the life of the African Church.

We urge the UCBWM to take more vigorous initiative in programs of relief, health, development, education and evangelism among displaced African peoples as well as supportive efforts among the oppressed who remain in their homes.

We empathize with the impulse among church people to struggle with the ethical implications of owning stock in companies operating in Southern Africa.

We urge the U.S. delegates to the United Nations to bring to the floor of that body proposals for social and economic sanctions against South Africa as an expression of world condemnation of their apartheid policies.

We call upon U.S. financial interests to refrain from further investment in South Africa.

We request President Carter and the Congress to consider imposing tax disincentives on further investments in South Africa.

We urge the President and the Secretary of State to continue to develop innovative foreign policies in Southern Africa that will encourage whites to accept majority rule with all due haste.

We urge the President and Secretary of State to respond positively to requests for development aid by majority government in Southern Africa.

We applaud the President and the Secretary of State on their stands with regard to human rights and urge them to apply with vigor U.S. influence on all fronts for justice in Southern Africa.

ANNUAL MEETING ADDRESS

Chicopee - April 29, 30 and May 1

AVERY D. POST, Minister and President

Our primary responsibility at this meeting is to recognize and to celebrate the point of promise to which we have come in the life and mission of the Massachusetts Conference. Our primary task is to "hitch up", to "pull up our socks", to undertake the twentieth century equivalent of "girding up our loins."

Let me begin by tallying for you the points of promise:

1. The note of mission outreach in our statement of Conference purpose is being struck with more certainty and promise. The Conference's task is to preach and teach a theology of mission, to point the way and to take primary initiatives in ministries of reconciliation, peace, healing and justice. We are beginning to know this in our Conference bones - even more than in the past when the reflex of outreach was a bit more spontaneous and more easily funded. I sense a healthy impatience to get our priorities straight - to lead in mission, to get specific in mission, to be a mission force in the Massachusetts world. And I sense among us too a battle for faithful proportions between time/money/energy for outreach and time/money/energy for that which nourishes the institution, the household of faith.
2. I am very encouraged that we are beginning to work farther ahead, that we have truly found and are implementing the priority of planning. As we work this morning on goals, we will be planning. Our Board and staff leaders have become more and more sophisticated about planning, and in fact the planning exercise in which we will participate has been built by a hard-working team using precision planning tools. Personally, I hope that we will become very bold in this work on planning, that we will not draw back from intellectual work and faith tests as we look to years ahead. Where do we want to be in ten years? How do we plan to get there - step by step by step?
3. I see us taking institutional leanness very seriously. That of course is what the new design work in Conference structure is all about - the proposal of which you have heard and will hear more at this Meeting about developing two coherent planning and program units in the Conference, one unit on local church life and leadership and the other on mission outreach and social responsibility. Led by the Board, the testing process for this new, lean, simplified structure is underway. Walter Telfer has been designated by the Conference to guide the development process. And you, the delegates to this Meeting, will have the opportunity to query and to ratify this process. But what is especially promising, I feel, is the value that has been identified - structural integrity, leanness, the checks and balances that keep us from an everlasting complexity and inefficiency in church bodies, whether local churches, Conferences or national structures.
4. We're beginning to understand the values of research and development. We're not far along, but we're far enough in Area Mission Strategy, to know the value of dependable data, the describing of trends, the essential steps of analysis and interpretation, and the hard work of shaping recommendations for next steps in church development, outreach, evangelism, training for leadership, etc. The two-year covenant that we have had with the Board For Homeland Ministries has made us serious about research and development. The first fruit of it is in the Boston 18, the covenant of 18 Boston Congregations, located in transitional communities, determined to shape a new stretch of mission and ministry in their neighborhoods. As a style this is tremendously promising. I encourage you to give budget and staff support to Area Mission Strategy.

5. Communications-This is a number one development priority on almost any one's list. We should not be surprised. We are not a connectional church but a covenantal church. In the whole "shebang" we have hundreds of autonomous centers in Massachusetts and thousands in the nationwide family of the United Church of Christ. What we have to work with presents a complex communications challenge. What we want is a communications process that is simple, direct, clear, informative, trust-building, covenantal. We want to utilize all media in imaginative ways. We want, above all, to recognize that the heart of any communications system is full expression of talk and feelings between two persons, or a leader with a small conversational group, or persons holding different views or perspectives on a matter of consequence.

I simply want to record with you with enthusiasm a move that we have made this year that holds great promise and is already producing new communications. I speak of our Communications Team - Karl Phillippi, Peg Jacobs, George Condon - with technical assistance that is beginning to implement with imagination the communications policy statements adopted by the Board two years ago. We are on a threshold here. We want to build communication networks. Many of you can help. I hope you will.

6. The prophetic and caring postures of this Conference are very solid on the critical issues in national and global society. This is not to say that we have not temporized and equivocated and that we have not been part of an anxious and inward-looking generation in the American Churches. We have. But our most recent decade of history has set the course of our commitment to peace and justice, to an out-front identification with suffering and oppressed people. We now expect of ourselves overtime commitment to racial justice and to the defeat of sexist patterns in church and society. We are now gearing-up to conduct a racial audit - the first of the judicatories in New England to do this as well as the first of the Conferences in the United Church of Christ. And as a matter of policy we are committed to Affirmative Action, not as a good-looking goal, but as an honestly demanding process with specific goals to increase the number of minority persons and women in the employed ranks of the Conference. Frankly, I find it promising that the prophetic history of this Conference has made us vulnerable to the God of Jesus Christ who comes to us most demandingly in the form of suffering humanity.
7. I find it hugely promising that we are such a diverse people theologically, and that congregations are hospitable to so many levels of maturity in the faith. You know the dangers in the open style. We can easily become a denomination so intent upon theological software that the core material of Biblical faith is literally surrendered and finally lost. That has happened in our congregations, and it is happening still. But in these later years a theological seriousness and intentionality have been prospering in our parishes. New generations of religious hungerers are finding their way into churches not only through young people but middle-aged and older people too. Through it all the covenant is prospering. Persons journeying from the broad liberalism of other years, persons journeying out of the sixties into the mid-seventies, persons newborn through personal experiences of Jesus Christ, persons finding their way in and out of the wilderness of contemporary living, persons freed at last to walk with dignity, persons long bound in a religion of reason now freed for a religion of the heart, persons liberated from provincial loyalties and commitments to become global people, persons hurting from top to bottom with their needs - all these are in the marvelously diverse covenantal life of this people of God we call the United Church of Christ. I find that promising. Do you?

8. A clear, settled feeling of being at home in Framingham is promising. With the move of Conference headquarters we have not obliterated ancient states of mind that give us two states of Massachusetts - or is it four or six? But the move has been made successfully and even creatively. In some ways the issue of issues in the Conference at this moment is paying for the Center. I hope every church - every church! - will give something to the Center Fund. The matter awaits the leadership of pastors and people like you. It is still true that each dollar of debt repayment adds seven/eight cents to our income. But the other major issue in Framingham is planning, planning that grows out of our theological assumptions. If our theological assumption about this Conference of churches is that we are given by God to be a particular missionary community, then the base from which this enterprise is launched becomes fraught with theological importance and a main job is to develop criteria by which to test faithfulness. But let me say with verve that the beat to sound about the UCC Center is upbeat. Now, church by church, let's use this Center - church by church, let's pay for this Center.
9. Another promising thing has been happening quietly and persistently. It began to happen when we established the Resource Center in Framingham and asked Peg Jacobs to direct it. It happened when out of the Craigville Study Committee we determined that the new Director of Craigville then being sought should be gifted with imagination for new programs and uses. Bill Hobbs came to that position. It happened when the Warner Farm Study began to range into new uses for a new generation of ministry and mission. I refer of course to the combination of programs and resources that have been growing from these high potential bases. This program life, added to the activities of our committees, has slowly built a program productivity of the quality that we envisioned way back. In one sense, we have only started with this program style. But let's be aware that we have built prototypes and models that create a significant momentum for the future. My own vision, so helpfully resourced by George Thomas' sabbatical study, is that the time has come for the Conference to develop resources as well as funding for programs to be implemented in the Associations, and in clusters of congregations. In my view programs planned, envisioned and resourced at the Conference level should be implemented at the Centers, in the Associations, and by the churches.
10. It was a great day - in fact three days - in March of this year when the Inter-staff team, related to the Advisory Commission on Women of the UCC, met with various constituency groups of women in the Massachusetts Conference. The groups met to plan the discipleship of women in church and society. Behind that event was the strong redevelopment of a Women's Fellowship in the Conference and a halting but nevertheless consequential development of a Task Force on Women in Church and Society. These are signal and promising developments. They betoken the assertiveness of lay ministries in the Conference. Out of the lay movements of our time will come our most imaginative forms for witness and action in church and society. Even as it is true that no local church can find new life and destiny without locating, aiding, and abetting new lay leadership, so it is true that much that the Conference is called to do and be awaits lay leadership development. There are promising turns here. I celebrate them.
11. When you look at financial reports for the year, you may agonize a bit and I would suggest that that is an entirely appropriate reaction. You may spot a deficit figure, slide into a depression, and then leap to the most dire conclusions. But actually, we have a long list of matters to feel encouraged about in the financial area:

- OCWM Basic Support has held and improved.
- Fellowship Dues have held and improved.
- A restricted cash flow account has been developed to receive repayments of our in-house loan for the development of the UCC Center.
- The 17/76 Achievement Fund has received pledges of \$871,000 and cash to date of \$544,000.
- More than \$25,000 in debt was repaid in 1976.
- The Conference managed a program of receipts and disbursements within a carefully developed payment schedule.
- We have developed a modern accounting system with computer-capacity machines.
- Creative consultation between our Finance Committee and the Board of Trustees of the Massachusetts Congregational Fund resulted in investment moves that will yield greater cash this year.
- George Condon's excellent ministry in Financial Development and Stewardship has begun with careful monitoring of our receipts, stewardship workshops, emphasis upon a theology of stewardship, and long-range planning to increase inwardly OCWM Basic Support.

All of this, so solidly led and supported by Carlton Finch and Emil Beck as well as members of the Finance Committee, gives me great heart for the future. We have great distances to go to outpace inflation, but the systems are beginning to be "go" and I find that promising.

Now, all of the areas I have mentioned are very solid fronts where we have had solid achievements. Our task will be to sustain momentum. There are other fronts, just as important, that are demanding our attention. Let us mention a few of them.

1. **Ecumenism.** Perhaps our Conference has been as strong a participant as any in the ecumenical forms that we do have in the Commonwealth, and certainly our Ecumenical Commission has been a center of vitality in our Conference and in fact in the entire United Church of Christ. The United Church has been "there" in cooperative endeavors; we have taken our piece of ecumenical activity; I have sought to be visible and audible in ecumenical leadership. But much of our activity is at the level of ecumenical dutifulness. We are far short of a style of ecumenical covenants and commitments. The problems are obvious: ecumenism has not been affirmed as a premier value in our judicatory; we have not decided to give the development of new, imaginative, relevant ecumenical forms priority time, energy and support. The defense we could make would be convincing: staff time and resources are short; schedules are already crowded; the differences in denominational styles would require long negotiations before new formats of ecumenical mission could become visible. But my suspicion is that mission effectiveness on the scale we all want will languish until we find our way through to new ecumenical formats. I would commend to you most earnestly the fruit of this year's labor in the Massachusetts Council of Churches on "The Purpose and Goals of Ecumenism." My hope for the United Church in Massachusetts is that we will not tarry in becoming the catalysts for new definitions of ecumenical life in Massachusetts, asking through our representatives that the sisters and brothers in the Church of Jesus Christ in Massachusetts - including members of the Roman Catholic and Orthodox communions - gather to look with determination at the way to be one people in mission, one people in celebration.

2. Ministries To The Young. I approach this without intending to be nostalgic about the Pilgrim Fellowship of old. And, as I venture into the subject, I have great admiration - even awe - for our own United Church Youth Council with its leaders and advisers. The UCYC has persevered and has been a quiet seedbed for the development of new leadership in the churches and in society.

Travel the length and breadth of the State and here and there you find some mighty impressive programs in youth ministry. There are hot lines, group counselling programs, imaginative retreats, activities shaped for the children of single-parent families, service activities funded by car washes, baby sitting, food sales, you name it!

But essentially the church at all levels has backed off from hard thinking and planning about youth ministries. The leaders of many local churches at one and the same time call for vital youth programs and then put psychological and financial squeezes on them that make it impossible for these ministries to have the range, flexibility and boldness required for a local church to address a local youth culture.

If youth ministries keep aborting, if even our most gifted leaders are dismayed about next steps, then we have all the basis we need for the Conference to take initiatives to see this whole ministry in a new and deeper way - through rearticulating theological assumptions, through careful listening, through exposure to studies and consultations, through sensitivity to changes in family styles, leisure styles, values, media impacts, through rigorous appraisal of what the life styles of congregations do to children and youth.

Personally I am delighted that we have begun evaluating the quality of our covenant with other denominations in the Massachusetts Commission of United Ministries in Higher Education. This is all in line with basic and wide-ranging work to be done on youth ministries and in ministries to new generations. I cannot resist saying that I have real trepidation at this Meeting about the way we handle the issue of our participation in UMHE. I fear that that discussion will be so dominated by emotions of blame and defensiveness that the real issue of ministries to the young (as well as ministries to the earlier higher education community) will not be touched or heard at this Meeting. That would be a shame.

3. OCWM Basic Support. We talk about this at each Annual Meeting and should. We have been working on this and making some gains. Notice, of course, that small gains in our giving are easily wiped out in an inflationary economy. In fact 1976 was a serious loss year - as 1977 will be unless we have close to a 10% income growth in OCWM Basic Support.

Some increases will come through training programs, excellent resources, excellent patterns of reporting on missions and ministries supported by our constituencies. But basically increases will come in three ways:

- (a) the quality of life in our churches through which God in His grace is able to introduce people to new life, new gratitude, new compassion and concern. It is the new people in Christ who find life through giving.
- (b) the strong, out-front leadership of pastors who are practicing members of the covenants that constitute the United Church of Christ. A pastor passes signals - perhaps the signal of indifference or silence and so a local church, now without leadership, begins to lose access to mission participation as a fundamental factor in local church vitality and in fact in local church budgets. I say a pastor passes signals - often just a word, just a clear gesture of pointing toward a priority, and so a local church, now with leadership, is able to move into the fundamental driving gear of its mission purpose.

- (c) the effectiveness of the dollars we do have can be increased by using them more carefully, by planning more intelligently, by cutting waste with imagination, by eliminating line items when evaluation tells us that a goal has been met or that we are funding nostalgia, an expensive routine, or an idolatrous value.

4. Life Style Modification - Stewardship of Energy - Food & Poverty - Hunger - Values - Discipleship. This is the pivotal, omnibus arena of Christian obedience in our time. This is where many of the justice issues will cluster. This is where some of the new shapes of theological language will develop. In and around this cluster this Conference will have to make the hardest kind of institutional decisions. And you and I, if we are seriously under the leadership of Jesus Christ, will have to decide to change - not just yield to change - but decide to change - to change, that is, from a kind of working pragmatic nihilism to values that bite at our resistant patterns of self-serving and self-justification.

My guess is that we will think that we do not have institutional room for this cluster of priorities, that the tasks that push at us from present personal and institutional life styles will be so demanding that we will not be able to handle such massive and daring and even sacrificial change. And it will be right there where we will not be leaders, but part of the band of reluctant followers - perhaps amnesiac conservatives - betting on the wisdom of wait and see and moderation.

You and I will have to work on the charts on this - at once! For some it will be hard-going, that is, for those who have sought spirituality through a kind of virtuous oneupsmanship over materialism. Here the Gospel will come to us harshly yet savingly to demand of us a spirituality that can only come to us from struggling with our material environments, within the ambiguities of human history, within a wide world of many neighbors and strangers, within the urgent contexts of oppression, injustice, starvation where the God of Jesus Christ meets us as holy demand and dependable hope.

5. Global Consciousness. No one can live actively and with response-ability in the great breadth, detail and demandingness of contemporary society without getting very weary. The media inputs alone are glutting. Almost as a reflex of self-protection we become scanners of newspapers and of daily history. And again and again as we "watch" television, we find ourselves not hearing, not absorbing, not even looking. We are somewhere else.

So it may be hoping for a bit much to suggest that the persons who are self-consciously or nominally Christian should live globally - trying to relate to the whole world that is in God's hands, trying to get the whole human story straight, trying to follow in detail or even with accurate impression what some allege to be a critical story of injustice or a breakthrough in science, trying to stay with the President of the United States as he describes to Congress and to us his comprehensive energy plan, trying to get the modern map of Africa or Latin America into our heads, trying to remember where the amnesty issue is now, the abortion issue, or what we familiarly called the Southeast Asia issue just a couple of years ago.

There does seem to be a great divide in the church between those who are living globally and those who are not. Some people seem to be so inclined and some do not. Some people for some reasons seem to be able to handle the great sweeping changes - in Southern Africa - and some cannot even handle the complexity going on in their own families, their work worlds, a small neighborhood in transition, the economics of their private living. Some people are global in their concerns and actions and if there are specific religious motivations for what they are doing - they are not apparent. They are secular and beautifully compassionate and effective. On the other hand,

some people are clearly not global, even provincial, but there is a real piety behind their personal acts of kindness and thoughtfulness.

What are we saying? No more than that we are different kinds of people out of different histories, living in this generation of human history with partial self-knowledge, sometimes able to come up to it, sometimes downed by it, with admitted levels of comfortableness and discomfort. And so I suppose I am saying in the first place that being global is living with each other - different "cats" that we are! - with grace and openness - living, if you will, as a family of the Covenant.

But I am also saying to myself and to you that life in Jesus Christ is being part of a global family - even though that is tough for us - even though it runs against our temperaments and dispositions. Life in Jesus Christ is living with the walls down, "the middle walls of partition." There is neither Jew nor Greek, slave nor free, male nor female, for all are one in Jesus Christ. Living globally is feeling responsible for everything and everyone, responding to suffering and injustice not because "we are all built that way" or we have some native altruism generated by a favorable childhood, but because of what we know by faith - that the God of Jesus Christ calls to us from the center of suffering and oppression (and from the center of joy and beauty) to ask of us a response of ourselves in self-offering and commitment.

What in the world are we doing at a little church meeting in Massachusetts talking about, trying to make some response to complicated developments in Southern Africa (what is it now? - Namibia? Zimbabwe?) - or with people in jail in North Carolina, or food production in Central India? "Why," someone might ask, "have we gone into all these contortions over peace in Vietnam, death penalty legislation, eco-systems in Massachusetts, plutonium?"

The very fervor and agony behind such questions - asked by us all - is a testimony to God's everlasting struggle with us to be global persons, to be whole people for the whole earth.

6. Theological Creativity. I was going to say spirituality, but as far as a key frontline responsibility for the Conference is concerned, I think I really do mean theological creativity.

Our forefathers and foremothers, in the great traditions represented in the United Church of Christ, were creative people theologically. Their tracts and diaries and tomes and hymns bear witness to that. The language they developed was a particular gift to their times and is now a legacy that nourishes us in this later generation.

This is the form of theological work that belongs to the whole church and is not the private domain of academics and scholars. It is the work that we do when we sit down with scripture at the beginning of a meeting of the Board of Trustees and savor for a bit one of the great metaphors of the Biblical revelation -- Exodus, Leaven, the Empty Tomb, A New Heaven and the New Earth. It is the work that we do when, at the close of a meeting, we ask someone to reflect theologically on what has occurred in the illuminations, confusions, or breakthroughs that have occurred in the household of faith as sisters and brothers have struggled through to decisions.

It is the kind of work a Pastor does when he or she sits down with a pen to write a pastoral letter to the church in the month of May. It is the daring, holy talk that goes on in a teacher's meeting for the Junior High Department as people face head-on the viability of the Father image for God.

One of the key endowments on which we are building in any generation of the Church is spiritual testimony and theological legacy. The fantasy that we should be able to clear the decks to do that central theological work never comes off - primarily because it is the cluttered deck of human history that alone is congenial to theological creativity. What is necessary is the spiritual freedom and courage to stop in the busy life of the Family of the Covenant to hold under God what we are and what we have been saying and doing, to be with each other simply and to look at each other deeply, and to say to each other what we hear the Spirit saying in all that is happening in the world and in the Church.

I pray every day to let the cup of the busy and responsible life pass from me, but I have tried to yield to God's will and not mine and - no surprise! - I get busier and responsibilities become heavier. Prayer and reflection have helped me see that not as fate, but as grace. It is that amazing grace that gets the sweet sounds out of me - the lyricism of Christian confession in the joy and toil and trouble of living in the world. And, like you perhaps, I wonder sometimes if it is mere idle contemplation - this story that the grace that works to shape Christ in us also shapes the deeds of Christ through us. I know it is not idle contemplation - this wonder of wonders - this story into which we are immersed through baptism - the Word becoming flesh and dwelling among us, full of grace and truth!

We have examined the balance sheet of Massachusetts Conference of the United Church of Christ (a not for profit organization) as of December 31, 1976 and 1975, and the related statements of General Fund support, revenue, and expenses and changes in fund balances for the years then ended. Our examinations were made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the financial statements referred to above present fairly the financial position of Massachusetts Conference of the United Church of Christ at December 31, 1976 and 1975, and the results of its operations and changes in fund balances for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

NOTES TO FINANCIAL STATEMENTS

December 31, 1976 and 1975

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Revenue

Fellowship dues are recorded when received by Association treasurers and O.C.W.M. revenue is recorded when received by the Conference.

Pooled Investments

To obtain investment flexibility, various funds have commingled certain of their investments. Investment income and capital gains and losses are distributed to participating funds based upon number of pool units.

Fixed Assets

The Conference follows the practice of capitalizing all expenditures for land, buildings and equipment in excess of \$100. Fixed assets purchased with unrestricted funds are transferred to the Land, Building and Equipment Fund (note J).

Depreciation

Depreciation of buildings and equipment is provided on a straight-line basis over the estimated useful lives of the assets (note J).

Pension Plans

The Conference participates in two pension plans covering substantially all of its employees. Professional staff are covered by the Pension Boards of the United Church of Christ. The Conference contributes an amount equal to 11% of each participant's salary. Lay employees participate in the Retirement Fund for Lay Workers, also managed by the United Church of Christ. Employees may elect to contribute 3% of their gross annual salary during their first two years of employment. The Conference contributes 8% of the gross pay during that period. After two years of participation, the Conference contributes the entire 11%. Pension expense aggregated \$34,423 and \$33,198 in 1976 and 1975, respectively.

NOTE C - COMMITMENTS

The Conference conducts part of its operations, Craigville Conference Center, in facilities owned by the Christian Camp Meeting Association (CCMA). Annual rentals for these leases paid by the Conference aggregated \$29,282 in 1976 and 1975 which, for certain leases equaled the principal plus interest payments of CCMA on its mortgages which are held by the Conference. The leases expire at various times through November 1, 1980. Renewal options are available.

Massachusetts Conference of the United Church of Christ

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 1976 and 1975

NOTE D - PROPOSED CONFERENCE FACILITY COST

Pursuant to the Conference Meeting decision not to proceed with proposed expansion plans of the Framingham Conference Center, certain architectural, engineering and consulting fees previously deferred were charged against 1975 operations. \$10,000 of the previously deferred costs were estimated to be useful in current renovations and were transferred to construction in progress (note J).

NOTE E - BENEFICIAL INTERESTS

The Conference is beneficiary under the terms of numerous trust agreements, wills and other contracts. The exact value of such interests and the time at which the rights to these interests become vested in the Conference is dependent upon circumstances over which the Conference exercises no control.

NOTE F - MORTGAGE PAYABLE

During 1976, the Board of Directors authorized the redemption of pooled securities held by the General Investment Fund. The proceeds of such redemption were transferred to the General-Undesignated Fund and applied to the payment of the mortgage of \$225,000 and the balance was used to fund renovation costs of the Framingham Conference Center.

NOTE G - INTERFUND SECURITY LOAN

During 1975, securities were loaned by the Endowment Funds to the Current Unrestricted Fund to provide financing for expansion of the Framingham Conference Center. The gain on sale of these securities was deferred until such time as like securities could be purchased and returned to the Endowment Funds. During 1975, such securities were purchased and returned for \$38,809 less than they originally cost.

NOTE H - BOARD DESIGNATED FUNDS

The Building Fund has been designated by the Board of Directors for providing assistance to local church building projects.

The Dorchester Church Fund has been designated for special projects in the Dorchester community.

NOTES TO FINANCIAL STATEMENTS

March 31, 1977

NOTE A - BASIS OF REPORTING

The accompanying financial statements have been prepared on the basis of market values. The cost basis is presented for informational purposes.

NOTE B - SECURITY VALUATION

Investments in securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the fiscal year; securities traded in the over-the-counter market and listed securities for which no sale was reported on that date are valued at the last reported bid price, or the mean between the last reported bid and asked prices where these amounts have a wide disparity.

CITY MISSIONARY SOCIETY, BOSTON, INC., 1820

Chairman of Board of Directors - The Rev. David B. Kreider

Clerk of the Corporation - The Rev. Dennis Bailey

Clerk of the Board - Mrs. Ruth Nablo

President - The Rev. Clyde H. Miller, Jr.

Treasurer - Mr. Russell H. Palmer

Staff: Full time - 20. Part time (including 75 Homemakers and 80 summer program)155.

The City Missionary Society has been the social service arm of Congregational churches in Metropolitan Boston since 1816. It now has an important place in the life of the Metropolitan Boston Association, whose constitution refers to the Society as "a recognized instrumentality of the Metropolitan Boston Association."

In late 1973, to replace the emphasis on housing and education, a new program of Metropolitan Ministry was started and continues to be developed.

Now, as the Society moves well into 1977, most of what was begun over the previous five years not only survives, but thrives. The Mission: Advance! funds, which were known at the outset to be available for only three years, have ceased to flow. Much of what that support helped to initiate, however, continues. The community development thrust in Mattapan was continued by CMS for a year beyond the end of that program's support from Mission: Advance! and then discontinued in the belief that the work there has made a significant constructive impact on the life of that community. In Somerville, community development efforts have expanded beyond the original small resource office, and CMS has joined with a group of local organizations, service programs and a local church there to establish the Somerville Multiservice Center. Its future is promising.

With a continued emphasis on advocacy work, the Social Services Department is better serving its clients and having greater impact on their behalf among the systems and institutions that affect the lives of poor and troubled persons. These capabilities were instrumental in obtaining for CMS, two contracts with the Department of Elderly Affairs of the Commonwealth of Massachusetts for providing Home Care Services for the Elderly -- persons who otherwise might either be without care or would have to be institutionalized.

The Society's summer camping programs provide meaningful activity for children of all ages and for adult members of low-income families. Camps Andover-Waldron on Lake Winnisquam, in Meredith, N. H. are open to children 9 - 16 years of age. They provide opportunities for inter-racial and intercultural contacts in a Christian setting. Family Camps and weekend retreats for church groups are held under sponsorship of CMS at Farrington Memorial property in Lincoln, Mass.

City Missionary Society receives no income from United Way. Principal support comes from United Church of Christ churches in the Metropolitan Boston Association, from churches in neighboring associations, from non-UCC churches in the greater Boston area, from interested individuals and trust funds, and from endowment.

The Society's income in the fiscal year ending October 31, 1976, was \$359,184 (this amount included legacies of \$4,587). Churches contributed \$62,491 and the operating deficit in 1976 was \$69,043.

City Missionary Society was incorporated in 1820. Its corporate members are elected at the annual meeting, held in November each year. Every supporting congregation is entitled to nominate a representative to serve a three year term on the corporation.

THE CONGREGATIONAL LIBRARY
OF THE AMERICAN CONGREGATIONAL ASSOCIATION

(Proprietor of the Congregational House)

ROOM 207, 14 BEACON STREET, BOSTON 02108

(617) 523-0470

The Congregational Library was founded in 1853 to gather and preserve books, pamphlets and manuscripts on Congregational history and to promote the general interests of Congregational churches. In addition to the historic collection on Congregationalism the library has important collections of Bibles, in a variety of languages and versions, hymnals, and histories of local churches and towns. New books, with the exception of fiction, are purchased every week in the fields of: preaching and pastoral work, philosophy and theology, Biblical commentary, church history, religious education; worship and devotion, missions and the ecumenical movement, church arts and architecture, denominations, sects, and world religions, social problems, and biography.

These resources, approximately 225,000 books and pamphlets, are available to ministers, lay preachers, church officers, church school teachers, students, and all interested in reading for enrichment of life. Books are mailed without charge to all parts of the United States. A letter or postcard giving author, title or the subject of books desired, will receive prompt attention. The Library is open for study and research Monday through Friday, 9-4:45. A copy of a leaflet, "The Congregational Library" and the *Bulletin* will be sent to those writing for further information.

STATISTICAL TABLES

EXPLANATORY

The tables which follow comprise:

1. The statistics of the churches, giving the ministers, church membership, additions, removals, Sunday school membership, and the amount of benevolences and expenses. These tables, in accordance with the vote of the Conference in 1887, are made to conform to those in the National Year Book;
2. The Associations of Churches, with the names of officers;
3. The Ministerial Standing, giving the date of ordination of each minister, the date of membership in the Association, the residence and his "employment";
4. The Ministerial Record, containing lists of ordinations and deaths.

The tables of the first part contain the names of all the Congregational and United Church of Christ churches in Massachusetts, the towns and cities being arranged alphabetically. This is not a postal guide. It is a listing of the location of the church for the convenience of persons seeking to find the church. The first name in the list of churches is the name of the town or city in which the church is located; then follows the name of the church and directions for locating the church.

Church members are reported as numbered January 1, 1977. Admissions and removals cover the year 1976. "Sunday School" includes total membership of officers, teachers, and scholars January 1, 1977, or when the school is in operation (if not at that date), covering "branch schools," "mission schools," and "home departments," so far as maintained by the reporting church.

The months and days in the dates of the organization of churches are omitted. They will be found in the publications of 1873, those of churches since organized being given in the "Minutes" of each year. Months and days in the dates of ordination of Congregational and United Church of Christ ministers may be found in the lists of the local associations which follow the tables.

Reference marks used throughout Schedules:

A — Figures are for U.C.C. members only

B — Church is part of a Larger Parish. Name of Larger Parish will be found under the name of the Larger Parish in Conference Summary

C — Charges. The number of each church included in a Charge will be found under the name of the Charge in Conference Summary

D — Dual standing, or affiliation, with another denomination

X — Not enrolled as United Church of Christ minister according to Conference Reports, but has Congregational Christian standing only

Y — Pastor serves more than one church. (See list of yoked churches in Conference Summary)

CM — Campus Ministry

LO — Limited Ordination

NK — Pastor's denomination is not known

PT — Part time

□ — Church made no report and statistics are from previous Year Book, except actual figures reported from Conference Records for Our Mission for Others

* — Schedule I. Congregational Christian Churches which have not voted or which have voted to abstain from voting at the time of submitting the Conference Report

— Schedule II. Congregational Christian Churches which have voted not to be part of the U.C.C. at the time of submitting the Conference Report

Amount of "Local Expenses" includes all salaries, operating expenses and repairs for church, Sunday school, choir and parish.

In reporting the statistics of federated churches, figures given pertaining to membership and gifts on the apportionment are for the Congregational or United Church of Christ churches within the federated churches. Figures pertaining to Church School enrollment, contributions to home expenses are usually for all the churches grouped together in the federated church.

Note:

Pastoral changes between the time year book data was sent to the national office and the time of going to press for our Conference Year Book are not reflected in the following schedules, but are reflected in the association lists and the alphabetical lists.

MASSACHUSETTS CONGREGATIONAL FUND

First Trust — a balanced fund

Second Trust — an income fund

Third Trust — an equity fund

The Massachusetts Congregational Fund was established in 1945 as a means of bringing professional investment management to bear on the handling of the capital funds of the Massachusetts Conference and churches and organizations affiliated with it. In nearly three decades the Fund has provided continuity and the steady application of sound investment principles to the assets put in its care.

The three trusts named in the heading operate as mutual funds with no loading and a minimum of expense. The First National Bank of Boston provides the custody of the assets, the collection and distribution of income and investment service. Each trust has a different objective as indicated by their names so that separately or in combination almost any objective may be achieved. The net assets of the three trusts now approximate \$11 million market value.

The officers and members of the Fund's Board composed of business and financial executives well known in Massachusetts, ask consideration of the churches for the investment of additional funds in one or more of the trusts. They are open for new subscriptions (and redemptions) four times each year, on January 1, April 1, July 1, and October 1 upon prior application.

The performance of the Fund, whether judged by the past year's results, or over a long period of time, is such as to indicate sound and capable operation and to justify churches using the Fund's trusts with confidence as effective vehicles for investing their capital assets. For additional data on net assets and earnings of each trust, see pages 92 through 102 of this Year Book.

MASSACHUSETTS CONFERENCE PLANNED GIVING PROGRAM

The Conference's Planned Giving Program is a new opportunity, developed in cooperation with the United Church Board for Homeland Ministries, the United Church Board for World Ministries and the United Church Board for Ministerial Assistance, for members of the Conference's churches to make a major gift to the work of the Church in exchange for a guaranteed annual life income.

By the irrevocable transfer now of a capital asset, the donor and/or another will receive an annual income for life, or a term of years not exceeding twenty, based on official U.S. government treasury tables; the donor will receive certain tax advantages; and the donor may determine at the time of the gift the way in which that asset will be used at the end of the income period. The donor's local church, the Massachusetts Conference, and the three Boards, or anyone of the preceding five, or a combination thereof, may be the ultimate beneficiary of such a gift, depending on the wishes of the donor.

Life-income plans include: Gift Annuities, Deferred Payment Gift Annuities, Pooled Income Fund, Unitrusts and Annuity Trusts.
